

Acknowledgements

Collaboration with many groups and individuals was required to create this field guide. Thanks kindly to the following organizations and individuals for their help in the creative process:

Parks Canada, NS Department of Natural Resources,
 Environment Canada - Canadian Wildlife Service,
 Nova Scotia Environment, Department of Fisheries and Oceans,
 Acadia, Saint Mary's, Cape Breton, Texas Tech and Dalhousie Universities,
 Mersey Tobeatic Research Institute, Friends of Keji,
 Southwest Nova Biosphere Reserve Association,
 Nova Scotia Nature Trust, Bird Studies Canada, Nature Conservancy of Canada
 Atlantic Salmon Federation, NS Museum of Natural History
 Nova Forest Alliance, Bluenose Coastal Action Foundation,
 Blomidon, South Shore and Annapolis Field Naturalist Societies.
 L'sitkuk - Bear River First Nations, Tusket River Environmental Protection Agency
 NB Department of Natural Resources,
 Atlantic Canada Conservation Data Centre,
 NL Department of Environment and Conservation - Parks and Natural Areas,
 New Brunswick Museum, Nature Trust New Brunswick
 Department of National Defence, Dillon Consulting
 University of Wyoming, Cornell University
 NS Boreal Felt Lichen Recovery Team,
 John Maunder, Nathalie Djan-Chékar, Michael Burzynski, John Gosse,
 Doug Hynes, Jim Goltz, Gart Bishop, Frances Anderson, Gini Proulx, June Farnsworth

A special thanks to the talented Jim Todd
 for his precise and professional graphic design work
